JULY 2015

## **"Come and See"** John 1:39

John's gospel begins with the words, *"In the beginning was the Word, and the Word was with God, and the Word was God."* (John 1:1) This is John's way of introducing Jesus. In verse 14 the gospel writer declares, *"The Word became flesh and lived for a while among us."* (1:14) That's the incarnation. John then immediately introduces John the Baptist as the one who testifies about the Word that became flesh, Jesus is the Word. A couple of days later John was with two of his disciples. They saw Jesus passing by. John declared, *"Look, the Lamb of God!"* (1:36) With his announcement, the two disciples followed Jesus, and Jesus turned and looked back, and spoke for the first time in the gospel, *"What do you want!"* (1:39) The disciples wanted to know where he was staying, and Jesus responded, *"Come...and see..."* (1:39) They followed Jesus, spent the day with him, and then one of the two, Andrew, went and shared the news with his brother Simon (Peter).

We are all called to be witnesses like John the Baptist and Andrew, and later Peter. We are called to point people to the work of God in Jesus Christ. It is our challenge to share with others what we have seen.

In the book of Acts, the last words of Jesus before ascending into heaven, were a call to be witnesses.

Witnessing to our faith does not always come easy, in fact, most of the time it can be awkward and difficult. But there is an easier way to do so...

Many years ago discussions began around building enhancements. Ideas and dreams were shared. Through the years the ideas met with many detours and problems, but the dream did not die. The dream was about enhancing our facilities for ministry. Eventually the dream took on a design that led toward a positive call to move forward. Financial commitments were made and the dream, though stepped into two phases, moved forward. In June of 2014 the congregation voted to build. Workers began showing up in June and we watched walls drop, parking scraped away, and entrances closed. For over a year we have watched demolition, and then the slow work of construction. Parts of the remodeled areas have opened for ministry; most of the new will be finally completed in July. All along, the purpose of the building enhancements has been to facilitate ministry and mission.

Showing off the building might be one of the easiest ways to witness to our faith. We are planning a "Come and See" event for Sunday, August 30th. We will officially consecrate the work for ministry and mission during our worship services, and then from 12:30—3:00 p.m. we will hold a community open house. Please hold this date on your calendars, and invite your neighbors, friends, and family to "Come and See."

If you are in need of transportation, contact the church office and we will line up transportation.

## Building Update

The flooring continues to be put in place and remains on schedule. The parking lots are newly paved and have been striped for parking. The glass

outside doors leading into the Gallery and the Conference Room doors are hung, and the air conditioning installed. The Education Wing was completed and ready for Vacation Bible School.

In the coming weeks, the support columns for the overhang outside the Gallery should be here and installed. It is planned to have the Gallery cleared and cleaned out. Painting of the trim work around the Gallery has been completed.

The opening of the rest of the construction area is projected by mid-July.

Thanks for your continued patience with construction and inconveniences. Your continued support of the project through pledges and contributions is deeply appreciated.

**A special called Church Conference is scheduled for Thursday, July 23 at 7:00 p.m. in the Sanctuary**

The purpose of the Church Conference is to authorize a campaign for our building ministry. The congregation has invested in building enhancements for ministry and mission. We will continue to invest through a three year commitment to pay for the building costs. In addition to the scope of the campaign, if the Church Conference approves, we will seek to raise additional funds for exterior signage and the possibility of some internal furnishings. **All church members are welcome to attend and vote.**

**THROUGH THE YEARS**

Recently I had the privilege of interviewing Clarence L. Bowers, oldest child of Clarence H. Bowers, the pastor of our church from 1937 to 1940. It was known then as the Mentor Methodist Episcopal Church. Church membership was around 200. Rev. Bowers came to our church on September 1, 1937. At that time, September was when pastors took their new assignments. Today, July 1 is when United Methodist pastors move to new churches.

Rev. Bowers was born in 1889 in Powhatan Point, Ohio. He earned his divinity degree at Garrett Bible Institute (now Garrett-Evangelical Seminary) located on the campus of Northwestern University. His wife's name was May and they had three children, two boys and a girl. Clarence L., worked at Bailey Controls in Wickliffe for 47 years. Mary Helen was a music teacher and retired as the Supervisor of Music in the Akron School System. Paul, the youngest, is a retired Assistant Pastor of a church in Cleveland, Texas.

Before coming to Mentor, Rev. Bowers was a pastor at many other Methodist churches, including Madison and North Madison in Lake County. He served as pastor for two churches at a time for much of his career. In fact, while at Mentor, he was also pastor at Mentor Plains. The Bowers lived in the church's parsonage at 1627 (now 8627) Mentor Avenue. This address today is home to The Country Pedlar. In 1939 Rev. Bowers traveled to Kansas City, Missouri to witness the convention that merged the Methodist Episcopal, Methodist Episcopal South and the Methodist Protestant Churches into the Methodist Church.

Rev. Bowers had strong youth programs and would take the youth to Lakeside Institute each year. He also produced religious dramas annually at Easter.

Rev. Bowers left Mentor and moved to Lorain in 1940. He served at several other churches, including the Jefferson Methodist Church. There, his MYF group included the Haines boys, Jacque and Jim and the Anderson girls, Carol and Mary Lou. Yes, the brothers married the sisters and Mentor UMC has been enriched due to their presence.

Rev. Bowers was in the ministry for fifty-five and a half years. His last assignment came after he had "retired", when he was asked by the Conference to begin a church in Northampton Township, near Cuyahoga Falls. Today this church, Northampton United Methodist Church, is a large and flourishing church in the East Ohio Conference.

Rev. Bowers died in 1977. He served his flock well at Mentor Methodist. He is one of the many great stories regarding the pastors who have served our church so well for nearly 200 years. Next time you walk past the photos of previous Mentor pastors, please give Rev. Bowers a look and say thank you!

**From MUMC Preschool . . .**

**Thank you to Dave Kobelt** for donating his time, workers, and materials to assemble and install the new playground at the preschool! Dave owns and operates Kobelt, Inc., and donated 70 bags of cement, 45 tons of pea gravel, and four days of labor to bring this fun area to life for our preschoolers. **Thanks also to Jeff Teringo, Hector Gonzalez, and Michael Albee** for help with the playground project. The children were thrilled to play outside this spring, and are very thankful to everyone who helped make it happen.

**We are also very grateful to everyone who made cash donations to this project.** Without your generosity our project would not have become a reality!

**Hello! My name is Nicholas Wright Gliha**, and I am the summer intern here at Mentor UMC. With such a bustling church community we thought it would be best for me to include an additional way for me to connect with more of you. My ministry began at age five at Lakewood UMC, and extended to my current home church Cove UMC in Lakewood at the age of ten. I have been serving, speaking, and engaging the church's issues since the age of twelve. I received what I felt was my official calling at sixteen during my high school's prayer retreat for sophomores. My calling has been quiet for many years, but now God has led me to a new church with new and exciting missions for His people. Currently I am 22 years old and a senior at Youngstown State University where I am studying Religious Studies. I have ambitions to attend a seminary following my graduation. For the summer I live with my parents, Ann and Frank Gliha. You'll surely see my mom around services throughout the summer! I have a fantastic girlfriend named Mckinsie who has been the major catalyst in me pursuing my calling to the ministry.

Mentor has been a stable image for the Christian movement. You have proven your devotion to the love of neighbors in the many welcoming arms extended to me thus far. Being a part of a church so dedicated to Christ's mission of discipleship has been an absolute blessing. I have had the chance to speak liturgy, serve communion, attend hospital visitations, speak at meetings, assist in youth camps (VBS & G.O.D. Camp) and most importantly pray with many of you. But there are many more to meet and share stories with. Thank you again for welcoming me into the church, and I look forward to continuing to be blessed by new faces. This month I will be graced with an opportunity to lead a small group where I hope to have fantastic discussions with all who feel a greater call to discipleship. I hope with all my heart you are enjoying your summer as much as I am.

With love & prayer,  
Nick
