Friends,

This weekend in worship we continue with our sermon series, Summer Road Trip, and we travel with Jesus to the mountains. For many people, the mountains are a place of reflection, reconnection, and new understanding. On the mountain with Jesus, we will reflect on the ways in which Jesus turns our reality and our understanding of ourselves and the world upside down. We will celebrate the transformation and the new reality that Jesus brings about in our midst. And, once again, we will be called to respond and to act with our whole selves.

And as we consider our own response, we will hear the response of several young adults and leaders who were a part of the Youth Service Project last week. These teens and adults understood their call from God to serve and to “let their light shine,” and in response they offered themselves as a part of the YSP Team.

Join me and invite a friend or family member as we are challenged by Jesus and our young adults and their leaders to let our own lights shine in new and meaningful ways.

Shine Bright,
Pastor Mikayla
