# Pastor's Letter

Dear friends,

Happy New Year! It's an honor and a privilege to write the first Pastor Letter and preach the first sermon of this calendar year!

Have any of you made New Year's resolutions for this year yet? That wasn't in mind when I thought of this sermon series, but I think it's something to think about. What if we set a goal to slow down, instead of working more hours, taking on another project, or losing weight? Look outside. It's winter, and chances are good that it's cold. But what else do you notice? One thing I see is that nature is slowing down. Often, we forget that we are also critters and part of nature, and we are also designed to slow down.

There is a Danish practice called hygge (hue-gah). Hygge is the practice of coziness, comfort, contentment, enjoying the company of others, and prioritizing your well-being. At Youth Group, we have talked about hygge and practiced it by learning how to knit. When we do this, we talk about how the Bible teaches us to rest and be cozy. We came up with many ways to live into this, knowing that Jesus calls us to rest and how we *need* it to survive.

I challenge you to take the time to rest, with a group or in your own time, practicing hygge or doing other things that fill you up. And if you need help, join us for our Craft Afternoon this Sunday, January 4th, at 2 PM in the Youth Room. Bring your latest craft project or a skill you would like to learn, and come join us to rest!

I look forward to seeing you and learning together!
