Pastor's Letter

This week's Highlight Reel "Favorite Scripture" is a single verse, and if not a favorite, at least familiar to many...

This is the day the Lord has made, let us rejoice and be glad in it. Psalm 118:24

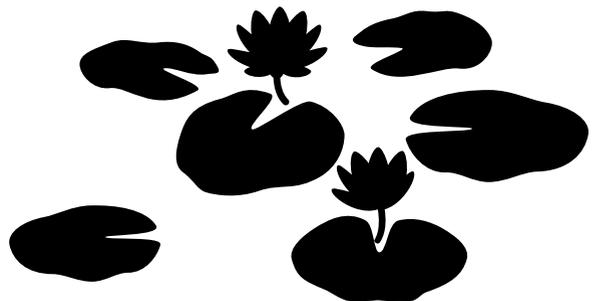

Some days, finding reason to rejoice and be glad is easier said than done. Yet we can choose to focus on the Lord's faithfulness...the Lord's presence in each day...the Lord's power revealed. It is a present reality and discipline. This IS the day...

As summer days unfold, let's challenge ourselves to find something to rejoice in each day. Longer days (the longest one of the year is this week)...Sun and Fun...Time with others...Time to relax and rest and refresh...Time to serve (VBS, G.O.D. Camp, YSP)

We must discipline ourselves to be grateful people. We often think of gratitude at Thanksgiving but what if we became rejoicing and glad people all year. Because the world presses in upon us sometimes. We can be swept up in the negativity and divisiveness around us. Or we can...this day...rejoice and be glad in the Lord.

You are God's Beloved!

Pastor Sondra
